Look for Avery's FSC® certified products

"The FSC label is your guarantee of wood you can buy with a clear conscience. In FSC-certified forests, only as many trees are harvested as the forest can manage to reproduce. At the same time, FSC is a guarantee that flora and fauna are protected and that the people who work in the forest will receive training, safety equipment and fair wages."

LABELS FOR LETTERS, PARCELS AND MULTIPURPOSE

Large or small mailings are made easy with Avery's selection of address labels created for different requirements. Labels with QuickPEEL™ assist in removing the labels quicker and more easily from the sheet for larger mail shots. Labels with BlockOut™ made from material that hides old text and labels, for reusing packagings. With our multipurpose label range, you can buy just one type of label that suits all of your printers. You'll always have the right label for the job in-hand, and with FREE Avery templates and software programs, you'll be designing and printing labels in no time.

STRONG LABELS FOR OUTDOOR USE, PROTECTION AND SECURITY

Protect your properties with strong labels from Avery! You can protect your own or your company's possessions against theft, to ensure that your valuable PCs, tablets, projectors, tools etc. remain where they are, or - in the event of an unfortunate incident - can be identified. Avery's wide range of security and protection labels will be of great help to you. Our extensive selection of labels includes some that are impossible to remove, some that leave behind a "Stop" message if anyone attempts to remove them, and some that "disintegrate" upon removal, or inspection plates for easy control and inspection. They are strong, resistant and perfect for outdoor usage.

Inspection plates

NEW!

- For visible information about when a legal audit, a regular check or inspection was conducted
- For all technical machines, such as lifting tools and winches, pressure equipment, refrigeration systems and pressure cylinders and similar
- Resistant to water, oil, cleaning agents, disinfectants and solvents
- The sheets are grooved, you can easily fold them after printing, and keep them in the pocket of your work clothes
- Design and print with FREE easy-to-use Avery templates and software at www.avery.eu which includes several examples of designed inspection date labels, simply and easily to adapt
- NoPEEL™ labels start to flake into small pieces if handling is attempted and are therefore nearly impossible to remove
- Weatherproof “Void” material, which splits in two in an attempt to remove. They leave a “chessboard” chequered pattern
- Removable labels: Ultra tough resistant, powerful adhesive labels, stick extra well but can be removed without leaving adhesive residue

NEW!

Get a quick and easy overview with uniform, informative and durable labels for fixtures and equipment

- Practical labels for handwritten labelling and identification
- Reliable and permanent adhesive
- Supplied in a durable book - which fits perfectly in a shirt or work trouser pocket

Silver labels with coloured border

- Made from durable polyester material, which can't be ripped
- Use a permanent marker, felt tip pen or ballpoint pen
- Tolerates temperatures from -40°C and +150°C, and water, oil, cleaning agents, disinfectants and solvents

Silver labels in aluminium foil

- Handle resistant, made from water resistant and durable aluminium film
- Use a biro or pen with a hard tip. Writing acts as permanent embossing on the label
- Tolerates water, oil, cleaning agents, disinfectants and solvents

White labels with NoPEEL™

- Handling resistant. Any attempt to remove the labels is evident
- NoPEEL™ labels start to flake into small pieces if handling is attempted and are therefore nearly impossible to remove
- Use a permanent marker, felt tip pen or ballpoint pen
- Tolerates water, oil, cleaning agents, disinfectants and solvents

Inspection plates, pre-printed with year

- For visible information about when a legal audit, a regular check or inspection of production equipment, fire equipment and machines etc. was conducted
- Can be used for all technical machines, such as lifting tools and winches, pressure equipment, refrigeration systems and pressure cylinders, pallet racks, scaffolding and similar
- For easy labelling directly on-site with ball pen or marker
- Come in a smart booklet to keep them in the pocket of your work clothes.
- They are resistant to water, oil, cleaning agents, disinfectants and solvents

Inspection date-labels with NoPEEL™

- Handling resistant. Any attempt to remove the labels is evident. NoPEEL™ labels start to flake into small pieces if handling is attempted and are therefore nearly impossible to remove

Label remover

- Ideal for simple, residue-free removal of paper labels and adhesive residue from almost any material
- Thanks to its extreme efficiency the product can be used sparingly, and the fine spray head makes it possible to apply exactly the right amount without running
- The active ingredient evaporates quickly without leaving residue - self adhesive labels can therefore be removed completely and effortlessly without leaving an unwanted film of oil behind

Product code	Description	Contains
3590	Label remover	150 ml

CD/DVD LABELS AND INSERTS

Everything you need to make your CDs and DVDs looking professional. Create the look with the easy-to-use templates and software available free from www.avery.eu

CD labels and inserts	35
DVD labels and inserts	35

CD labels and inserts

- Full face labels cover the surface of the CD, including the transparent centre giving more space for your design, graphics and text
- Classic size CD labels cover the surface of the CD and exclude the transparent central part of the CD
- CD labels have practical, removable wings that help to centre the label without you touching it
- Print your own CD case covers, ideal for matching CD to the case for a professional touch
- CD inserts are made from high quality cardboard material easy to separate due to microperforation
- Suitable for both standard and slim CD cases
- Made from FSC® certified paper from responsibly managed forest
- Design and print with FREE easy-to-use Avery templates and software at www.avery.eu

and colour coding

Extra Strong labels withstands moisture,
heat and cold

Visible colored labels

Business card, print yourself quickly and easy

Address labels - to all standard envelope sizes

Labels that are ultra-resistant,
washable and stretchable

Strong yellow labels
withstands moisture, heat and cold

NoPEEL™ labels crackling
by attempts to remove

Adhesive name badges
- for event management and meetings

Icon	Description
	JamFREE™ guarantee With Avery JamFREE™ guarantee there'll be no printer jams. JamFREE™ ensures problem-free printing through all printers
	QuickPEEL™ technology Labels peel off the backing sheet quickly making them easier to apply
	BlockOut™ material BlockOut™ labels are fully opaque and are ideal to cover old labels and text making re-using packaging a viable option. Developed for parcels
	QuickDRY™ Especially designed for inkjet printers these labels dry instantly. Outstanding print quality, vivid colours and pin sharp text
	SmudgeFREE™ Especially designed for inkjet printers these labels dry instantly. Outstanding print quality, vivid colours and pin sharp text
	Top adhesion Reliably strong adhesion in top quality on all standard surfaces like paper, cardboard, glass and plastic
	FSC® accreditation Certified paper from responsibly managed forest
	100% recycled Both the label and backing sheet are made of 100% recycled materials and are environmentally certified by Blue Angel
	Removable & no residue Fully removable labels that leave no sticky residue behind
	Transparent Great for light coloured envelopes for that printed on look - these labels virtually disappear when applied. They are made of a look-through material
	High visibility Label shape attract attention and high visibility
	Invisible effect Provide a stylish and highly transparent look
	Photo quality Ensures brilliant colours, sharp text and graphics
	Resistant Strong and durable polyester labels - weatherproof, water and dirt resistant, tear-proof, UV and temperature resistant

Icon	Description
	TripBond™ Security laser labels guaranteed to stick 3 times stronger than conventional labels
	NoPEEL™ Security laser labels that disintegrate in tiny chips if an attempt is made to remove them, making tampering immediately obvious and removal difficult
	UL recognition UL recognition of Avery Zweckform strong silver labels. The adhesive coated label material has been tested and recognised by independent Underwrites Laboratories Inc. (UL). It complies with the standard UL969 ("Marking and Labelling Systems"). The category is PGJ12 - printing Materials Component, UL certification Nr. is MH16635.
	Freezer save Labels made from cold-resistant paper, strong adhesion for freezing temperatures, even on slightly frosted surfaces
	Quick&Clean™ technology Ensures quick and easy separation af cards and perfectly smooth edges
	Ultra fine perforation Easy and clean separation of cards along the extra fine perforation lines
	Print on both sides Allow you to print on both sides of the sheet
	Optimised for QR Codes Designed for easy scanning due to the opaque label material they make barcodes easy to read
	Easy application Practical 'wings' on all CD and DVD Labels to allow for centred application and easy 'No Touch™' handling
	PVC Free Material used is 100% free from PVC
	Easy to update Can be easily changed without replacing the entire pocket. Slide paper inside an adhesive pocket
	Sticks without adhesive The material will stick without using any adhesive on the backing paper
	Magnetic Strong magnetic hold without adhesive
	Design & Print software FREE software and templates unique to Avery that has been developed to help customers personalise and print out their A4 sheet labels. Customers can choose to create a design from scratch or use one of thousands of pre-designs.

So why buy Avery...?

1

Avery products have been developed for a range of different functions or applications

2

Avery products feature unique benefits e.g. including our JamFREE™ guarantee, QuickPEEL™ technology and BlockOut™ material

3

Avery products are underpinned with Avery FREE Design & Print software www.avery.eu

4

Avery customers and consumers have ongoing care and advice from a dedicated customer support team
+45 70 10 18 00

Personalise, design and print your Avery labels in 6 easy steps...

1.

Purchase your Avery product

2.

Visit www.avery.eu and select Design and Print Online from the software and templates menu

3.

Choose your label from the drop down menu or type the label product code into the search box e.g. L7169

4.

Follow the onscreen instructions to design your labels

5.

Save your design for future use - either onto your personal Avery Design & Print Online account or onto your computer

6.

Print your design onto your chosen Avery Product

Software & Templates
